The COLE Promise

CONFIDENCE – When you rent from us, you have the assurance that we will do what we say we will do. You can count on your rental equipment being delivered on-time and ready to work. We understand how that affects your bottom line. Our job is to help you get your job done.

OUTSTANDING SERVICE – Everyone promises great service, few actually give it! We have a seven-year proven track record of providing amazing service to the companies with which we have partnered. We stand out among our peers to help you stand out among yours!

LOYALTY – Our goal is to partner with great companies and assist in making what you do even better. We make sure that everyone in our organization knows who you are and what you need, from our sales people, counter staff, delivery drivers, to our credit and billing department. Long-term relationships that are mutually beneficial are what we are about.

EXCELLENCE – We make it our mission to be the best. Mediocrity is everywhere, it is rare when a group of people come together and mutually share in making a difference. That is what you can expect when you rent from us.
